

School Council Minutes Friday 2nd May

 Apologies from Robinson and Glaramara.

1. We welcomed our visitors Lorna and Sarah from Westmorland and Furness

Council. They will come to all of our meetings. They want to know what services

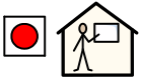

and changes young people want to see. Evie suggested a non-contact

rugby/sports club for young people with SEND. Lorna and Sarah were really

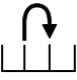

impressed with our student council - well done everyone!

Action: To think of names for the in-school youth council network that Lorna

and Sarah are creating. Evie suggested Neurospicy Network. Vote next term.

2. We shared our actions from the year and re-capped last meeting.

Actions: Katy, Ella and Evie to write to Tim Farron with more detail about a

pedestrian crossing to the community garden. Katy to check plans for Pride

Month display. Katy to organise council outing for June/July.

3. Cake stall at the Community Garden Great Big Green Week event on

Saturday 14th June. Rosie and Alfie interested in helping on the stall. Anyone

else interested?

Action: Katy will give interested students a letter to take home.

4. Any other business: Slide for playground. Sports Day. Whiteboard for yard.

Next meeting: Friday 6th June
